Post Office Letter November 2018

Dear Oxford Resident:

We all want to keep our post office in Oxford along with the great people that work there. And they want to continue to serve our community. But they need your help.

You have no doubt read and heard many stories about the USPO having to close locations. Those closed post offices are usually closed because the local citizens stop supporting them. It comes down to simple mathematics.

The Oxford Post Office continues to be sustainable because you buy your mailing supplies there. It is not helpful if you mail letters and packages there but buy your postage and supplies elsewhere. So, please continue to buy stamps and other mailing supplies at your Oxford Post Office.

The holiday season is near and it's not too early to think about how you will ship those gifts to family and friends. Give a gift to your community and yourself — use the Oxford Post Office.

Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jerry Roseberry", with a stylized flourish at the end.
